DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.

OFFICIAL

FLAGS AT HALF STAFF: KSC Flag Presentation. On November 16, 2005, a United States flag, flown over Kennedy Space Center, was presented to the family of William H. "Bill" Skanes, a member of the OPF management team with USA. This presentation was made by USA management as a token of gratitude for his service to the National Aeronautics and Space Administration. Mr. Skanes died on November 8 and his funeral was November 16. (TA-G)

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

EMPLOYEES WITH DISABILITIES: Employees with special transportation needs may call 867-7685 for intra-Center transportation. Transportation will be provided from 7:30 a.m. to 4:00 p.m., Monday through Friday, on an as-called basis. For additional information, call 867-6923, Debbie Houston. (AJ)

VOLUNTARY LEAVE TRANSFER PROGRAM: The leave transfer program is one of the most popular benefits. To qualify for this program, an employee must establish the existence of a medical emergency (for self or family members) which is expected to result in a requirement for at least 3 days of leave without pay, after the use of existing annual and/or sick leave (earned, not advanced). Leave transfer requests must include documentation from a physician on the medical condition and an estimate of the employee's projected length of absence. If an employee wishes his/her participation in the program announced in the KSC Bulletin, or within his/her organization, he/she may include such a statement in the letter of request. Affected employees would normally initiate requests for a declaration of a medical emergency through supervisory channels; however, if they are unable to do so, their supervisor, family members, or co-workers may initiate the request. Employees wishing to donate leave may do so, subject to certain restrictions. Only earned annual (or restored) leave may be donated, and total donations of leave may not exceed one half of that which would be earned in the remainder of the current leave year. Employees wishing to donate leave are strongly encouraged to donate at least 8 hours at a time, since the effort involved in processing leave transfers is significant. Leave donor forms are available in the BA-B Office and in most Administrative Offices. Donations of leave should be sent directly to BA-B, Room 2507, Headquarters Building. Requests for leave transfer are treated as confidential, unless the employee states otherwise. The names of donors are anonymous and will not be released except as needed to process the donation. If you have questions about the program stop by the Personnel Office Operations Branch, HQ, Room 2507. (BA-B)

FEDERAL EMPLOYEE WORK-RELATED INJURY: Federal employees are reminded that they are responsible for notifying their supervisors and seeking first-aid care from the KSC Occupational Health Facility for any injury which occurs on the job. For more information, contact Jeanine Meister at 867-8229. (TA-C2)

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday - Friday from 7:00 am to 5:00 pm, and the Launch Area Clinic is open Monday-Friday 7:00 am to 3:00 pm. Hours other than those, call 9-1-1 for emergencies and/or first aid type treatment. **After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators.** (TA-G)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 am. to 4:00 pm. Appointments may be made by calling 867-7398. (TA-C2)

MASSAGE THERAPY: HOLIDAY DISCOUNT: November 15-December 23, a 30 minute massage is only \$20.00. Contact Valerie, (L.M.T. #19362) at 867-4762 or JaramVS@ksccems.ksc.nasa.gov. Massage Therapy available Tuesday-Friday, hours are flexible, room 1023, O&C Building. Gift certificates also available. (TA-C2)

November 2005 Sexually Transmitted Infections (STIs)

Sexually Transmitted Infections (STIs) is this year's infectious disease month (November) topic. Over 68 million Americans are living with a STI and each year, about 15 million new cases occur. In the 1960's, only two STIs were known; today, there are at least twenty-five known STIs. With so many new STIs and more Americans becoming infected throughout all age groups, it is important to recognize and know the recent facts about STIs.

Hardcopies of the packet will be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. The packet is also available on the new HEWP website: <http://hewp.ksc.nasa.gov>

FUEL FOR WOMEN:

Fuel 4 Women Newsletter: This month's *Fuel 4 Women* newsletter is on chronic dry eye syndrome. The newsletter will be available at all spaceport clinics and fitness centers and will be distributed at this month's Health Education Information Table.

⊙ ***New – Walking Groups:** Regular walking groups have started. Come join a walking group during any of these times:

Mondays -3:00 pm-4:15 pm- O&C (trail in front of O&C)

Tuesdays - 7:00 am-7:30 pm- Cape Canaveral AFS (trail by pavillion)

Wednesdays - 12:00 pm-12:30 pm- O&C trail

Thursdays - 7:00 am-7:30 am- O&C trail (could change to the VAB area based on interest)

Fuel 4 Women List Serve: All women at the spaceport can join the Fuel 4 Women list serve where monthly newsletters and program announcements will be e-mailed to list serve members each month.

Please contact Jessica Crews, Health Education Intern at Jessica.Crews@jbosc.ksc.nasa.gov for more information about or ideas for *Fuel 4 Women* and to join the list serve.

***HEWP Website Update*:** The HEWP website has a new look and is now available both internally and externally to the KSC firewall! The new website is: <http://hewp.ksc.nasa.gov>.

**** REMAINING 2005 CARDIOVASCULAR DISEASE (CVD) SCREENING SCHEDULE****

Date	Place	Time
Wednesday, December, 7 th	OHF	7-8 a.m.
Thursday, December 8 th	LAC (MFF)	7-8 a.m.

OHF – Occupational Health Facility (M6-495, Industrial Area @ KSC)

LAC (MFF) – KSC Launch Area Clinic (Multi-Functional Facility @ KSC)

The 2-page CVD questionnaire can be picked up at any medical facility. The questionnaire can also be downloaded from the SGS home page/forms: <http://ksccoc-forms/KSCForms2/ref/KSC28-1010.itr>. This form can be filled out on-line and then printed. Please print each page separately. You must fast for 12 hours prior to coming to the screening (nothing but water).

STRESS MANAGEMENT WORKSHOP: Any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills.

Kris Calderon, PhD, CHES, BCIAC, KSC/CCAFS Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at Kristine.Calderon@jbosc.ksc.nasa.gov for more information. The workshop can be delivered in any worksite setting.

NOVEMBER VISION SCREENING SCHEDULE

No appointment is necessary. Visit the OHF during this time and ask for a vision screening.

Tuesday November 29 11:00 am-1:00 pm

COLORECTAL CANCER SCREENING: Small amounts of blood in your stool, which can be detected with hemoccult slides, can be an indication of colorectal cancer. Hemoccult slides and instructions are available at all medical facilities during hours of operation.

WORKSITE LECTURES™: Work-site lectures on any health subject and requests for health information or counseling are available upon request to Kris Calderon, phone: 867-3414, e-mail: Kristine.Calderon@jbosc.ksc.nasa.gov. (TA-C2)

USE OF MULTICOLOR OFFSET PRINTING, COLOR COPIERS, AND COLOR PRINTERS: Managers and employees are reminded that all color printing/copying must be in accordance with NPG 1490.5A. The NPG states that offset printing in two or more colors is prohibited for work in which additional colors provide no demonstrable value, but are used primarily for decorative effect. The unnecessary use of color products costs the government additional money without additional benefit. The NASA Inspector General has reviewed various agency products and determined that color products have increased significantly. Managers at all centers are to ensure requests for multicolor printing and color copying are only made when the use of multiple colors adds demonstrable value, not just cosmetic appeal, to the product. For more information, contact the KSC Printing Management Office, 867-4256. (TA-E1)

EXCESS GOVERNMENT PROPERTY: All excess government property must be turned in to the NASA Property Disposal Officer at the Reutilization, Recycling and Marketing facility on Ransom Road. No other location is authorized to retain the government's idle property. This includes expendable items, as well as tagged equipment. For additional information on turn-in of excess property, see KNPR, chapter 7, "Turn-in Procedures." (TA-E1)

BANK OF AMERICA GOVERNMENT TRAVEL CARD USERS: All NASA employees at Kennedy Space Center who have been issued a Bank of America Government Travel Card are reminded that the card and the account are to be used for official travel and travel related expenses while on TDY. Employees are expected to pay the balance in full each month. Delinquent charges or personal use of the card are cause for cancellation. If you have any questions, please call the KSC Bank of America Agency Program Coordinator at 867-2860. (TA-E1)

OFFICIAL NASA/KSC U.S. MAIL: When sending official NASA/KSC U.S. Mail using NASA envelopes or mailing labels, the return address must contain the mailcode of the sender. Mail couriers will reject mail which does not contain a return address. (TA-E1)

INTERNATIONAL TRADE AND COMPLIANCE TRAINING ON FLORIDA'S SPACE COAST: The Space Coast World Trade Council will hold its 9th Annual Fall Regulatory Review on December 6-8, 2005. On December 6th, two half-day courses will be offered on Export Basics and Import Basics for those new to the field and for review. The conference focus on the 7th and 8th will be on a broad spectrum of import/export regulatory and compliance matters of current interest to Government and companies whose employees are involved with international trade in commodities and technology and who are concerned with compliance with the regulations and laws of the United States.

This national event will be held in Cocoa Beach, Florida, at the Courtyard by Marriott's new Conference Center. The half-day programs on the 6th are \$45 each. The fee for the main conference on the 7th and 8th will be \$375 for non-members and \$300 for Council members. Government employees pay \$300. The luncheon on the 7th, with its featured speaker, is \$35 if taken alone but is included in the main conference fee. Cancellations received before November 21st will be refunded in full: we will deduct \$30 for all cancellations received after that date. On-site registration will be available at \$30 additional for non-members and Government employees.

Contact Fred Martin at frederick.martin@mindspring.com or (321) 690-3968; or Susan Cossey at scossey@portcanaveral.org or (321) 783-7831, Ext. 257 for a flyer. You can also register on-line at www.spacecoastworldtradecouncil.org. (TA-E1)

CONTINUING PERIODIC KSC BULLETIN NOTICES: Organizations and/or individuals submitting KSC Bulletin notices to be run on a continuing periodic basis are reminded it is their responsibility to delete obsolete notices and/or update notices for changes to names, organizations, dates, regulation references, etc. (TA-E1)

KSC LOCATOR: Personnel at KSC are reminded, when submitting KSC Form 13-58 (Employee Locator Information) to KSC-Locator, to verify all information including the telephone directory information block. Monthly updates to the Locator printouts should be complete. This includes the "Telephone Directory" column. The letter "T" in this column indicates that the name appears in the telephone directory. Home phone numbers will not be printed in the telephone directory. (TA-E1)

KSC LIBRARY NEW BOOKS: A new document, JSC-63051, "Integrated System Requirements Document for the Inspection Boom Assembly (IBA) on International Space Station (ISS)", has arrived at KSC for distribution. If you are interested in getting on hardcopy distribution for this document and future updates, please contact the KSC Library in writing at mail code Library-D, or by e-mail, KSCLibrary@jbosc.ksc.nasa.gov. Please respond within one week of this announcement with your name, mail code and phone number. Please allow approximately two weeks for delivery. This document is also available electronically. (TA-E1)

Please place only the above items in the cardboard containers, no metal clips, etc.

KSC ALUMINUM CAN PILOT PROGRAM (Headquarters & O&C Building only): KSC will begin a pilot program for collection of aluminum cans in the Headquarters and O&C Buildings beginning Nov 15, 2005 thru Feb 28, 2006. Each facility will have approximately ten cardboard type containers for collection of aluminum in their facility. These containers will be located near vending machines and cafeteria areas to maximize collection of your aluminum containers. Please place only clean, empty cans in these containers, no trash, plastic containers or liquid should be placed in these containers.

Still have questions? Contact your recycling coordinator **Alice.F.Smith@nasa.gov** or call 867-8454/867-8413.

FREE BEGINNING BIRD WATCHING TOURS NOVEMBER 2005: Travel around Merritt Island National Wildlife Refuge with a trained U.S. Fish and Wildlife Service volunteer to learn how to identify the many birds that frequent the refuge. There is one tour on the scheduled dates that leaves at 9:00 am from the Refuge Visitor Center and last for approximately three to four hours. Please contact Nancy Corona at 321-861-0668 or by email at Nancy_Corona@fws.gov to make reservations. Suggested items to bring include binoculars, camera, field guides, bug repellent, water and a snack. Loaner binoculars are available.

Tour Dates:

Saturday: November 26th
Sunday: November 27th

The Merritt Island National Wildlife Refuge Visitor Center is located on SR 402, 5 miles east of U.S. 1 in Titusville.
